AGENDA

- ❑ ROLL CALL
- ❑ [MINUTES OF OCTOBER 8, 2025](#)
- ❑ **DISCUSSION WITH DPW DIRECTOR DONNA LASCALEIA, POLICE CHIEF JOHN CARTLEDGE AND NANCI FORRESTALL ABOUT ENFORCEMENT OF §285-17 REMOVAL OF SNOW AND ICE FROM SIDEWALKS**

Department heads are being asked to respond to the following specific questions:) Would it be possible to have a special detail following snow/ice storms for Parking Enforcement Officer's (PEO's) to observe, document and report on the presence of snow and ice on sidewalks? (See [Disability Commission letter](#) in support of sidewalk monitoring by PEO's.) Would it be possible for Division of Community Care (DCC) Community Responders to respond to reports of violations in addition to or instead of police to educate property owners about the snow removal ordinance? (This possibly would require an ordinance amendment to add the Division of Community Care to the list of enforcing agencies.) While it is not the police's preferred enforcement tool, one justification for imposing fines is deterring future violations. Is there a consistent system/approach to issuing fines for failure to clear sidewalks that NPD would be comfortable with? For example, adopting a policy of issuing a fine after the second reported violation.
