R-21.340 A RESOLUTION IN SUPPORT OF THE FAIRNESS TO FARMWORKERS ACT

WHEREAS, Farming in the Commonwealth is a vibrant part of our state economy, providing consumers with healthy local food options, preserving open land, supporting our local economy and reducing our carbon footprint, and;

WHEREAS, Hampshire County has 692 farms on 50,644 acres¹; 213 of these farms hire farmworkers, with a total of 1,267 farmworkers employed in the County², and;

WHEREAS, Farmworkers in Massachusetts are at present denied the wage and hour protections provided to other workers, miring farmworkers and their families in unjust work and living conditions. Twice as many farmworker families now live in severe poverty as compared to other families³, and;

WHEREAS, Farmworkers additionally face unique workplace hazards and health concerns resulting from long work hours, exposure to pesticides and a physically demanding, fast-paced work environment. Agricultural workers, alongside those in the fishing industry, experience the highest rate of occupational fatalities in Massachusetts⁴, and;

⁴ Mass.Dep't Of Pub.Health, Fatal Injuries At Work Massachusetts Fatality Update 2016-2017 2 (2019)

WHEREAS, Despite the elevated health and safety risks farmworkers face, many farmworkers in the Commonwealth lack benefits and resources to help address health issues. For example, 88% of Massachusetts farmworkers surveyed by the Pioneer Valley Workers Center reported that their employers did not offer paid sick days⁵ and approximately 80% of the Connecticut River Valley Farmworker Health Program's Massachusetts farmworker patients did not have health insurance in 2019,⁶ and;

WHEREAS, Farmworkers in Massachusetts are overwhelmingly immigrants originating from Latin America, and;

WHEREAS, The longstanding exclusion of farmworkers from our state's minimum wage and overtime protections – afforded to virtually all other employees, including other essential workers– is part of a national legacy of structural racism and inequality, based in the exclusion of farm work from the national landmark workplace legislation of the 1930s to allow for the continued economic exploitation of African American farmworkers, and;

WHEREAS, Massachusetts law should not permit a disproportionately immigrant and Black and Latino workforce to earn a poverty-inducing wage that is 40% lower than the current state minimum wage, essentially relegating farmworkers to a second-class employee status under the wage and hour law of Massachusetts, and;

WHEREAS, The Fairness for Farmworkers Act, ([S1205](#), [H1979](#)):

- 1) sets the wage for farmworkers at the state minimum wage,
- 2) provides overtime pay for all farmworkers. Seasonal farmworkers will receive one and a half times their normal rate of pay for work performed in excess of fifty-five (55) hours in a week,
- 3) establishes the right to a day of rest each week for seasonal farmworkers, providing overtime pay at time and a half for workers who elect to work on that day of rest, and;

WHEREAS, The elimination of the substandard farmworker wage is sound economic policy that will benefit the entire state.⁷ A recent report published by the University of Massachusetts Political Economy Research Institute, (PERI), indicates that changes proposed by the Fairness for Farmworkers Act would result in a nominal increase for most farms' annual production costs,⁸and;

NOW, THEREFORE BE IT RESOLVED, that the City Council of Northampton hereby endorses The Fairness for Farmworkers Act, and asks the State Legislature to move to its passage with all deliberate speed.

BE IT FURTHER RESOLVED that the Administrative Assistant to the City Council shall send a copy of this Resolution to bill sponsors Senators Adam Gomez and Adam Hinds and Representatives Carlos Gonzalez and Paul Mark, The Fairness for Farmworkers Coalition, Governor Charles Baker, Attorney General Maura Healey, Representative Lindsay Sabadosa, and State Senator Jo Comerford.

21.342 An Order to Appropriate Senior Center Gift Fund Money for Financial Aid Fund

Ordered, that

Up to \$3,600 in Fiscal Year 2022 from the Northampton Senior Center Gift Fund be used to provide financial assistance to seniors to attend fee based programs offered at the Senior Center, provided that each participating senior meet financial aid guidelines established by the Senior Services Director and that such assistance be limited to no more than \$180 per person per year.

October 7th, 2021

Hello City Council Members,

I respectfully request that \$3600 from the Gift Fund be allocated for a Financial Aid Fund at the Senior Center. This fund will help us to ensure that participants who currently are unable to attend fee based programs have the option to do so. Qualifying criteria will mirror income guidelines for SNAP (165% of the poverty income guidelines) for Tier A discounts and the 250% poverty guidelines for Tier B discounts. Having two tiers for qualifying will allow older adults who are struggling financially, but just miss the line for many programs they still need, to access programs and services that will have a significant and positive impact on their quality of life.

Applicants who qualify will be able to use this funding for health and wellness programs such as a fitness center membership, fitness classes, foot clinics, reiki, discounted lunch in Mary's Bistro, a Senior Farm Share, and other similar programs.

Financial aid awards will be distributed through credit towards program fees and will not be carried over month to month or year to year. Applicants will be required to reapply annually. Applicants will be asked on the application if they would like to be screened, and assisted in applying for other community, state and federal income based programs, but this will not be required. Our hope is that we will connect low income patrons with more services while also making our current programs and services more accessible.

With the \$3600 we will begin by offering 20 people with up to \$15 a month to use towards designated programs. A total maximum of \$180 per year, per applicant.

Thank you for your consideration and support in our efforts to serve the seniors of Northampton!

Sincerely,

Marie Westburg

A NO vote would prohibit the city from forming a municipal light plant.

A "YES" vote would indicate your support for authorizing a municipal light plant.
