## Celebrating Historic Preservation

The Northampton  
Historical Commission  
began its presentation of  
**Preservation Awards** in 1975.  
This is our 36th awards ceremony.  
We will honor eight projects and  
three individuals who preserve or  
contribute to the built environment  
of the city of Northampton.

The purpose of the  
Northampton Historical Commission  
is “the preservation, promotion, and  
development of the historical assets  
of the City,” as stated in the City  
ordinance which established the  
mayoral-appointed commission in 1973.  
The Commission seeks to stimulate public  
awareness and dialogue, not only to preserve  
the best of history, but to guide new  
designs that complement that history.
