Celebrating Historic Preservation

The Northampton
Historical Commission
began its presentation of

Preservation Awards in 1975.

This is our 37th awards ceremony.

We will honor eight projects and
three individuals who preserve or
contribute to the built environment
of the city of Northampton.

The purpose of the
Northampton Historical Commission
is “the preservation, promotion, and
development of the historical assets
of the City,” as stated in the City
ordinance which established the
mayoral-appointed commission in 1973.
The Commission seeks to stimulate public
awareness and dialogue, not only to preserve
the best of history, but to guide new
designs that complement that history.

*For additional information about the
Northampton Historical Commission
and its work, please contact the
Northampton Office of Planning
and Sustainability in City Hall
