

Air Purifier Recommendation Guide

All prices are at the time of writing - Oct 22, 2023

Levoit

Good: Best filtration for money. Great phone app.

Bad: No washable pre-filter.

Recommended models:

- [Core 300](#): \$100, 141 CFM CADR, 50 dB max
- [Core 400S](#): \$220, 260 CFM CADR, 52 dB max
- [Core 600S](#): \$300, 410 CFM CADR, 55 dB max

Coway

Good: Filters can last longer than average (1 year vs 6 months). Washable pre-filter.

Bad: Poor phone app. Filters are more expensive (but usually last longer). Larger models are bulky.

Recommended models:

- [Airmega 150](#): \$190, 138 CFM CADR, 48 dB max
- [Airmega Mighty](#): \$185, 233 CFM CADR, 53 dB max
- [Airmega 400](#): \$650, 328 CFM CADR, 52 dB max
- [Airmega ProX](#): \$870, 567 CFM CADR, 46 dB max

Blueair

Good: The Pure series looks great. Great phone app. Washable pre-filter.

Bad: Its filter is not actually HEPA-certified, but tests have shown that it filters fine particles just as well as HEPA-certified ones.

Recommended models:

- [Pure 411i Max](#): \$170, 141 CFM CADR, 46 dB max
- [Pure 311+ Max](#): \$300, 300 CFM CADR, 50 dB max
- [Pure 211 Max](#): \$350, 410 CFM CADR, 53 dB max

Medify

Good: Wall mounted.

Bad: Loud. No phone app. No washable pre-filter.

Recommended models:

- [MA-35](#): \$275, 171 CFM CADR, 66 dB max
- [MA-45](#): \$400, 206 CFM CADR, 66 dB max
