# HOOP FEST 2025

## 3on3 Basketball Tournament

Calling all ballers! Whether you currently play basketball competitively, are working on your skills or just want to have fun, this is a great program for you. Showcase your skills, highlight your teamwork, have fun and compete! Players in grades 6-8 will register as individuals and participate in Draft Night on Thursday, March 27 in which teams of 3 will be randomly created. **New this year!** Players in grades 9-11 will create their own teams of 3. Players will register individually and indicate their teammates\* when registering. There will **NOT** be a draft for those in grades 9-11. Players can only participate on one team and there are no trades allowed. There will be both boys & girls divisions based on current grade. Please note divisions may be combined based on registration numbers. All teams will have a 3 game guarantee and top teams will play in championship game(s).

*\*If players in grades 9-11 do not have a team, they can register as free agents. If we do not get enough registrations to form additional team(s), free agents will receive full refunds*
