NORTHAMPTON PARKS & RECREATION

GIRLS SUMMER PICK UP BASKETBALL

Join us for a fun, engaging and positive basketball experience this summer! Open to youth identifying as a girl or nonbinary, this program focuses on fostering the whole athlete through drills, games, competitions and more. Each session will dive deep into the ABCs of basketball and start with skill-building drills and games and finish up with scrimmages. The focus is to develop fundamental skills, basketball IQ and game understanding. Led by Coach Chase, this program aims to create a positive environment to have fun while developing sportsmanship and confidence through providing a team experience for everyone to learn and enjoy the game. The program will wrap up with fun competition, awards and goodies!
