LIL' SLUGGERS T-BALL 2026

Interested in getting your little one involved in a team sport? Join us this spring for our Lil' Sluggers T-Ball program! This program is for youth ages 4 to 6 years old and is a great first step into the world of organized sports. Players will be split into teams that will be led by volunteer coaches. Players will practice basic skills such as throwing, catching and batting while also learning how to run the bases, what an out is and other rules of the game. Participants will hit from a tee but may progress to hitting from a coaches pitch if able. As the season progresses, teams will play games against other teams in the program. The goal of this league is to promote exercise, socialization, learning, sportsmanship and playing as a team.
